

SOFTWARE LICENSE AGREEMENT

IMPORTANT! PLEASE READ THE TERMS AND CONDITIONS OF THIS SOFTWARE LICENSE AGREEMENT CAREFULLY BEFORE CONTINUING WITH THIS SOFTWARE. BY INSTALLING THIS SOFTWARE YOU ARE AGREEING TO THE TERMS SPECIFIED BELOW.

This Software License Agreement covers any and all editions of the following HSA Systems ApS software products: Mail InkDraw, OBJ InkDraw, InkDraw, MiniDraw, MicroDraw, PGH, FlexDraw, PrintCreator and any imbedded software on all HSA Systems ApS' products.

This Software License Agreement (referred to as "Agreement") is a legal agreement between HSA Systems ApS (referred to as "Licensor") and the Licensee (either an individual or a single entity; either End-User or Distributor/Agent/Integrator) (referred to as "Licensee"), for Licensor's software product(s) identified above which may include associated software components, media, printed materials and online or electronic documentation (software). By using the software, you agree to be bound by the terms of this Agreement. If you do not agree to the terms of this Agreement, do not install or use the software.

This Agreement represents the entire Agreement between Licensor and Licensee concerning the software, and it supersedes any prior proposal, representation or understanding between the parties regarding Licensor's software identified above. The Agreement applies regardless if the software products identified above is provided free of charge or if the software products are provided against payment.

1. GRANT OF LICENSE

The software is licensed as follows:

(a) Installation and Use

Licensor grants Licensee a non-exclusive and non-transferable right to install and use the copy of software provided by Licensor and to use the copy of software preinstalled/imbedded by Licensor on the printer controller/computer provided by Licensor.

(b) Backup Copies

Licensee will not make copies of the Software or allow copies of the Software to be made by others, unless authorised by this License Agreement. Licensee may make copies of the Software for backup purposes only. After commissioning, it is even recommended that Licensee create a backup copy of the software.

2. DESCRIPTION OF OTHE RIGHTS AND LIMITATIONS

(b) Distribution

Licensee may not distribute copies of the software to third parties. Evaluation versions available for download from Licensor's websites may be freely distributed.

(c) Prohibition on Reverse Engineering, De-compilation, and Disassembly

Licensee may not reverse engineer, decompile, modify or disassemble the software.

(d) Rental

Licensee may not rent, lease, or lend the software to third party.

(e) Support Services

Licensor or a Licensor approved distributor may provide Licensee with support services related to the software ("Support Services"). Any supplemental software code provided to Licensee as part of the Support Services shall be considered part of the software and subject to the terms and conditions of this Agreement.

(f) Compliance with Applicable Laws

Licensee must comply with all applicable laws regarding use of the software.

(g) User Manual

A user manual and any other documents provided by Licensor may only be copied for internal purposes.

(h) Test

Each Licensee must thoroughly test each module for availability in the specific situation before starting to operate. This also applies to programs that Licensee receives as part of the supplementary performance and a possible care contract.

(i) Precautions

Licensee shall take reasonable precautions in case the program does not work properly in whole or in part (e.g. by data backup, fault diagnosis, regular check of results). It is Licensee's responsibility to ensure the operation of the program's work environment.

In particular, Licensee should note that as part of Licensee's due diligence obligations, Licensee must first verify that the installation of the software may result in particular interference with software already installed prior to any initial use of the software, and continue to back up its data prior to initial installation of and during the ongoing operation and must take all reasonable additional safeguards in the event of a suspected software error. In particular, Licensee has to make necessary settings on Licensee's firewall, anti-virus or similar data protection mechanisms as well as on Licensee's network or server. The risk of software incompatibility with Licensee's software or hardware is not at the expense of Licensor.

(k) Updates and Upgrades

Licensor may, at its sole decision, provide updates and upgrades to the software and reserves the right to deliver upgrades for a fee, if applicable. From the time the update is installed, Licensee may not use the previous version independently, disconnect it, and / or transfer it to another party.

Licensor accepts no responsibility for restoring the previous version to the same specifications after an update / upgrade has been performed. Unless otherwise agreed by Licensor with any update or upgrade, the terms and conditions of this Agreement shall continue to apply. Licensee can refuse to accept updates. However, with the release of an update or upgrade, Licensor is no longer required to support the previous version.

3. TERMINATION

Without prejudice to any other rights, Licensor may terminate this Agreement if Licensee fails to comply with the terms and conditions of this Agreement. In such event, Licensee must destroy all copies of the software in Licensee's possession. The destruction must be reported in writing to Licensor.

4. COPYRIGHT

The software is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties.

(a) Maintenance of Copyright Notices

Licensee must not remove or alter any copyright notices on any original or any copies of the software.

(b) Ownership

All titles, including but not limited to copyrights, in and to the software and any copies thereof are owned by Licensor. Licensee acknowledges that this Agreement is a license and not a sale. Except for the ownership of sold physical media, Licensee acknowledges that Licensor shall remain the sole and exclusive owner of all rights, titles, and interests in and to the licensed software, subject only to the limited rights of use expressly granted within this Agreement.

All title and intellectual property rights in and to the content which may be accessed through use of the software is the property of the respective content owner and may be protected by applicable copyright or other intellectual property laws and treaties. This Agreement grants you no rights to use such content. All rights not expressly granted are reserved by Licensor.

5. NO WARRANTIES

Licensee has checked before concluding the contract that the specification of the software meets the wishes and needs of Licensee. He is aware of the essential features and conditions of the software. Licensee must always ensure that the software meets the requirements for and is capable of performing any task in question.

Licensor expressly disclaims any warranty for the software. The software is provided 'As Is' without any express or implied warranty of any kind, including but not limited to any warranties of merchantability, no infringement, or fitness of a particular purpose. Licensor does not warrant or assume responsibility for the accuracy or completeness of any information, text, graphics, links or other items contained within the software. Licensor makes no warranties respecting any harm that may be caused by the transmission of a computer virus, worm, time bomb, logic bomb, or other such computer program. Licensor further expressly disclaims any warranty or representation to Licensee or to any third party. No Distributor/Agent/Integrator of Licensor is authorised to make any other warranties or to modify this limited warranty.

6. LIMITATION OF LIABILITY

In no event shall Licensor be liable for any damages (including, but not limited to, lost profits, business interruption or lost information) rising out of or in connection with Licensee's or any third parties access or use of or inability to access or use the software, even if Licensor has been advised of the possibility of such damages. In no event will Licensor be liable for loss of data or for indirect, special, incidental, consequential (including lost profit) or other damages based in contract, tort or otherwise. Licensor shall have no liability with respect to the content of the software or any part thereof, including but not limited to errors or omissions contained therein, libel, infringements of rights of publicity, privacy, trademark rights, business interruption, personal injury, loss of privacy, moral rights or the disclosure of confidential information. In any case, Licensor's liability is limited to intent and gross negligence. The same applies to injury to life, body or health. Insofar as the liability for damages of Licensor is excluded or limited, this also applies with regards to the personal liability for damages of its employees, representatives and vicarious agents.

In those cases, in which – contrary to the foregoing – there is a liability of Licensor, a liability amount is limited to an amount up to DKK 1.000.000,00.

7. APPLICABLE LAW

This Agreement and the interpretation of its terms shall be governed by and construed in accordance with the laws of Denmark and subject to the exclusive jurisdiction of the courts located in Denmark.

8. SEVERABILITY CLAUSE

In the event that any provision of this Agreement is or becomes invalid, the validity of the remaining provisions of this Agreement shall remain unaffected, even if material provisions are affected. The parties agree in this case to replace the invalid provision by that legally effective provision that comes closest to the contractually agreed legally and economically and ensures the feasibility of the Agreement in the sense of what is wanted by both parties. The same applies in the event that the parties did not recognise a regulatory loophole at the time of conclusion of this contract or if such became known or should occur at a later time. The parties are then obliged to make a written amendment to the contract in the aforementioned sense.

ed.1.6. June 2019/HSA Systems
